For every Management, effectiveness & sense of accountability of employees is of paramount importance. Every Management **strives hard** to adopt newer systems and procedures to improve the overall effectiveness of the organization. It starts right from Selection of manpower to PMS to Incentive Schemes to Reward & Retention Schemes and Management Development Programs etc.

But after taking all these initiatives, most of the time, Managements complain about the **Effectiveness & Accountability** of Middle Level Management. The Middle Management is assumed to be the **weak link** in the entire process. The **motivation** level of Middle Management Team members is of **utmost importance** in achieving **Organizational Goals**.

A Unique One Day Development Program specifically designed for **Middle Management Professionals**, to imbibe upon the sense of accountability & effectiveness, **in very innovative & exciting style**.

This program will not only explore newer ways of looking at their work area but guarantees complete **entertaining experience** which the participants must not have **ever come across**. This program will be of great use not only to HR but to Team members from all Departments. This experience will be useful and enriching not only in professional but personal life too.

The Seminar will redefine the concepts:

✓ **Exploring Self**

✓ **Effectiveness... a way of Life**

✓ **Synchronizing Energy**

✓ **Power to Lead**

Aditya Oak is Post Graduate in HR and having rich experience of 25 years in the field of HR.

He understands the sensitivity, compulsions and economics of business due to his Industry and Entrepreneurial experience. Hence he exactly understands the importance of accountability and effectiveness.

Aditya is an energetic and passionate professional who conducts unique & innovative Development Programs with his team. He is known for his unconventional methods of training and strongly believes in experiential development rather than a class room learning approach.

He has successfully conducted numerous Development Programs for industry professionals as well as Management students so far in India, Australia & UAE and those were very well
